Improves functional capacity of Lungs with
goodness of Swaskashchintamani Ras,
Laxmivilas Ras and Swaskuthar Ras

PARASTHA

Avaleh

Asthma is a chronic lung disease affecting people of all ages. It is caused by inflammation and muscle tightening around the airways, which makes it harder to breathe. Symptoms can include coughing, wheezing, shortness of breath and chest tightness. As per the Ayurveda Bronchial Asthma is Vata-kaphaja disease, it begins in the stomach, progresses to the lungs and bronchi. Hence the aim of treatment is to move the excess Kapha back to stomach and then eliminate it.

PARASTHA is a researched based Ayurvedic medicine for Asthma and associated symptoms. It is fortified with combination of many precious herbs and minerals. The key ingredients are Swaskashchintamani Rasa (Swarna Bhasma Yukt), Laxmivilas Rasa and Swaskuthar Rasa. These ingredients are well known and widely used in the treatment of Asthma and other Respiratory Tract Disorders. PARASTHA is a natural bronchodilator, relieves spasm and makes breathing easy and comfortable. It helps in expel out thick and viscid sputum and clears obstruction of breathing. It helps improve immunity and makes lungs strong to fight against infections.

Therapeutic Actions :

- Helps in reduce congestion and inflammation in lungs
- Helps in improve Immunity and Vitality
- Helps in protect lungs from various infections
- Gives soothing effect and reduces irritation in Respiratory tract.
- Helps in expel thick sputum from Bronchial tract.
- Helps in improve functional capacity of Lungs.

Indications :

- Swasa and Kasa.

Dose :

Adult : 1 to 2 Teaspoonful two times a day with luke warm water or as advised by the Physician.

Children : 1/2 to 1 Teaspoonful two times a day with luke warm water or as advised by the Physician.

Packing : 200 gm

COMPOSITION :

Amala Mava (Phyllanthus emblica) (Fruit Pulp) 12 % w/w, Haritaki Mava (Terminalia chebula) (Fruit Pulp) 4 % w/w, Bibhitaki Mava (Terminalia bellerica) (Fruit Pulp) 4 % w/w, Sunthi (Zingiber officinalis) (Rhizome Pdr.) 1 % w/w, Pipali (Piper longum) (Fruit Pdr.) 1 % w/w, Marich (Piper nigrum) (Fruit Pdr.) 1 % w/w, Laving (Syzygium aromaticum) (Flower Bud Pdr.) 0.3 % w/w, Jatiphal (Myristica fragrans) (Seed Pdr.) 0.4 % w/w, Elaychi (Elletaria cardamomum) (Fruit Pdr.) 0.5 % w/w, Rasa Sindur Powder 0.1 % w/w, Abhrak Bhasma Powder 0.066 % w/w, Yavakshar Powder 0.4 % w/w, Shuddha Tankan Powder 0.4 % w/w, Swaskashchintamani Rasa Powder 0.5 % w/w, Laxmivilas Rasa Powder 1 % w/w, Swaskuthar Rasa Powder 1 % w/w, Cow Ghee 0.5 % w/w.
